

## **Cacao Ceremony Participant Agreement & Liability Waiver**

This Cacao Ceremony Participant Agreement and Release of Liability (the “Agreement”) is entered into between the undersigned participant (“Participant”) and Wild Dove, LLC, together with its affiliates, successors, and assigns (“Wild Dove, LLC, Wild Dove The Company”).

By enrolling in, purchasing, or participating in the Cacao Ceremony (the “Event”), you acknowledge and agree to the following terms:

### **1. Assumption of Risk**

You have done your own research and understand that participation in a Cacao Ceremony involves the voluntary ingestion of ceremonial cacao, which may have physiological and emotional effects such as expanded awareness, increased heart rate, and heightened emotional sensitivity.

You affirm that you have researched or otherwise informed yourself about cacao and its potential effects, and that you are choosing to participate of your own free will.

You release Wild Dove, LLC from any and all responsibility or liability for adverse effects or outcomes that may result from the ingestion of cacao. *You understand that you may choose to refrain from ingesting cacao and still fully participate in the ceremonial experience.*

### **2. Physical and Psychological Health Disclosure**

By signing below, you truthfully declare the following:

#### **a. General Health:**

You have no current physical or psychological conditions that would prevent or interfere with your participation in the cacao ceremony.

#### **b. Heart Conditions:**

You have no current or prior heart-related conditions, including but not limited to heart disease, irregular or rapid heartbeat, or use of a pacemaker.

If you do have a current or previous heart condition, you agree to either refrain from ingesting cacao or obtain written approval from your licensed healthcare provider prior to participation.

#### **c. Medications:**

You are not currently taking MAOI-based antidepressants.

If you are taking MAOI-based antidepressants, you agree to consult with your medical provider before consuming cacao and, if you choose to participate, begin with no more than half of the recommended ceremonial dose, using your own discernment to determine whether to ingest more.

### 3. Waiver of Liability

In consideration for participation in this Event, you hereby voluntarily and irrevocably waive, release, and discharge Wild Dove, LLC, its owners, officers, directors, facilitators, employees, agents, and representatives from any and all claims or causes of action arising out of or related to your participation, including but not limited to personal injury, illness, emotional distress, property loss, or death, whether arising from negligence or otherwise.

This waiver extends to all known and unknown, foreseen and unforeseen claims, and binds your heirs, executors, and assigns.
